Dear Orange Art Center Supporter,

It is that time of the year again when we are asking you to become a member of the Orange Art Center. If you were a member last year or in the past, thank you! If you are renewing or becoming a member for the first time, also, thank you!

As you may be aware, there is more excitement in the air this year as the Orange Art Center and Orange Community Education & Recreation have joined forces to bring back our popular artists, classes and workshops, and to increase the number of offerings for adults and children. There are several membership levels that will allow you to take advantage of discounted class fees. Members will receive:

- **Advance registration for all Orange Art Center classes.**
Fall registration for general public begins August 27 - OAC members may register beginning August 22
Winter registration for general public is January 5 - OAC members may register beginning January 3
Spring/Summer registration for general public begins March 4 - OAC members may register beginning February 27.
- **Discount on all Orange Art Center classes**
- **Advance notice of upcoming events**

We invite you to show your support by mailing, emailing or faxing in the membership application below to either the Orange Art Center or to Orange Community Education & Recreation. Again, as a member of the Orange Art Center you will receive discounts on classes and workshops and early-bird notice of special events and educational offerings, plus the gratification of knowing you are supporting the arts in our community.

Thank you in advance for doing your part to keep our Orange Art Center strong. If you have any questions or would like additional information, including Corporate Membership opportunities, please call Pam Bayus, OAC Coordinator at (216) 831-8601, Ext. 5408 or at (216) 831-5130.

Thank you!
