Welcome TO ORANGE COMMUNITY EDUCATION & RECREATION

Fall is always an exciting time at Orange Community Education & Recreation. Our summer camps and events have ended, and we look forward to the return of our school year and fall season programming! Whether you are current participant, community partner, parent or just discovering Orange Community Education and Recreation, we invite you to explore this guide and discover the many ways we offer to play, create, learn and move.

Over the last year, we've listened carefully as our families used our online registration software, sometimes with frustration, and we're happy to say that through a new partnership with highly rated Eleyo registration software, we'll be launching a new, easier to use, reliable, safe and convenient online registration software system with fall registration on August 20. Our staff is working hard to make this an easy transition for you, our users, and we're confident that this will improve the way we interact by providing you with a simple way to get instant access to your registration history, class information, payment history and more. From any web browser or your mobile phone, you can stay up to date with important class information and new offerings. Please look for more information by email soon.

We look forward to seeing you this fall!

Sincerely,

Jill Korsok, Director

ORANGE EARLY CHILDHOOD PRESCHOOL

Award Winning, Accredited, Amazing

The Orange Community Education & Recreation Preschool has been in operation for 40 years and offers a high-quality, developmentally appropriate curriculum that aligns with Ohio's Early Learning and Development Standards. We focus on social-emotional development, approaches to learning, physical well-being and motor development, cognitive development and general knowledge as well as language and literacy development. The program is accredited by the National Association for the Education of Young Children (NAEYC), a certification awarded to only 7% percent of Early Childhood programs nationwide.

The toddler and preschool experience is further enhanced with specialized programming including story time with a children's librarian from the Orange Branch Library, weekly music class and nutrition, wellness and fitness programming through Stretch-N-Grow. In addition, we offer numerous field trips and special visitors throughout the school year. The program also boasts a fully-stocked children's library. Children enrolled in our program also have the option to participate in a wide variety of additional enrichment classes (featured in this brochure).

SCHEDULING A TOUR

Registration for the 2019-2020 school year will begin in January 2019. Touring our programs offers you a great opportunity to ask questions, see our program in action, and meet our experienced teachers to hear more about why our program is great! You will be able to view all of our classrooms, our gym, library and the playground. Tours are available by appointment only. Group tours will be held in January 2019 but to schedule an individual tour, please call (216) 831-4909.

SCHOOL YEAR OPTIONS

To accommodate families with varying schedules, we offer enrollment for 3 days a week or 5 days a week. Students may attend half-day, 9 am – 12:30 pm or full day, 9 am – 3 pm. For families needing extended care, our care covers both 7 am – 9 am and after school care from 3 – 6 pm for one fee.

EARLY PRESCHOOL FOR TWOS

The Early Preschool for Twos program is designed to create a foundation for your child's early education. Special focus is placed on learning fundamental concepts, developing social skills and becoming acclimated to a school setting. Class takes place Monday through Friday from mid-august – end of May. This program is for children who will be 2-years old by June 30, 2019. Children do not need to be potty-trained to enroll in Early Preschool for Twos – we will work with you and your child on potty-training throughout the year.

PRESCHOOL FOR THREES

Preschool for Threes will build on the foundation set in our Early Preschool for Twos program by providing hands-on, engaging activities that promote cognitive, social, physical and language development. Class takes place Monday through Friday from mid-august – end of May. Children must be potty-trained to enroll in Preschool for Threes and must be 3-years old by September 30, 2019.

PRE-KINDERGARTEN FOR FOURS

Our Pre-Kindergarten program extends the foundation set in our younger preschool levels with special focus on building and enhancing skills in all academic areas, gaining self-control, confidence and developing the independence necessary to be prepared for Kindergarten. Class takes place Monday through Friday from mid-august – end of May. Children must be potty-trained to enroll in Pre-Kindergarten for Fours and must be 4-years old by September 30, 2019.

YOUNG FIVES

Our Young Fives program is designed specifically for children that miss the age cut-off for Kindergarten or for children who could benefit from an additional year of skill-building. The Young Fives program is structured just like a typical Kindergarten classroom to provide an easy transition to elementary school. Young Fives is offered as a full-day, 5 day per week program and is for children that turn 5-years old by December 31, 2019.

MONTHLY PRESCHOOL FEES

To enroll in our preschool program, parents pay a \$100 non-refundable registration fee. Monthly tuition fees are charged to a credit card you provide on the 1st Friday of each month, September through May.

AFTER SCHOOL TRANSPORTATION

Busing is provided for after school programs to the Pepper Pike Learning Center at 2:45 pm from Brady Middle School and 3:45pm from Moreland Hills School for our after school youth programs.

SIGN OUT

All children are required to be signed out by a parents or guardian at the end of each class. Parents must come into the building to sign out. For classes dismissing from Moreland Hills School, park in the bus loop and enter the building at the entrance over the bridge. At the Pepper Pike Learning Center, park in the front parking lot and enter at the main entrance.

ABSENCES/ILLNESS

If your child misses school due to illness, he or she may not attend after school classes scheduled that day. If your student attends Moreland Hills School and will not be attending one of his/her after school programs, please contact the Youth Department and Moreland Hills Elementary School Office. This communication will ensure a safe and efficient dismissal.

WAITLISTS

If you do not get into the class of your choice because it is full, please be sure to put your name on the waiting list. We often add additional sessions to accommodate additional participants.

CANCELLATIONS

Sometimes excellent courses are cancelled when too many people wait until the last minute to register. Please avoid disappointment and register two weeks prior to the course start date.

NOW SEEKING INSTRUCTORS!

We are looking for talented, positive, and innovative Independent Contractors that would like to share their expertise with the community by offering a variety of classes and programs at the Pepper Pike Learning Center with Orange Community Education & Recreation. Please contact Jennifer Kempert, Youth Coordinator for more details!

PROFESSIONAL BABYSITTER

Grades 6-8

Each year many teens gear up to babysit for neighbors, friends, and family in the community. For many young teens, babysitting is their first job and the beginning of habits that will last a lifetime. This workshop is an outstanding introduction to babysitting and it will insure that the habits developed will be good habits. During the workshop, we will focus on how to interact with children to keep them active and interested. You will learn to plan age appropriate activities, develop outstanding organizational and communication skills, and how to interview parents in order to collect all the crucial information you will need to have a safe, productive, and enjoyable time with the children. This workshop will also include simple business skills such as record keeping and advanced planning. If you are a warm, kind, understanding, patient, interested, positive, dependable, and responsible person, then come join other teenagers in the community for this fun-filled, hands-on workshop. No class November 22. A \$25 materials fee is payable to the instructor by check or cash at first class.

OPEN DOOR EXTENDED CARE

Open Door Extended Care is an activity-based before and after school program for students in grades K - 5. Our curriculum focuses on social and recreational activities designed to provide children with a choice of developmentally appropriate activities. A typical day allows for children to learn healthy social skills as well as enjoy sports, crafts and games in a safe, welcome, relaxed environment.

There are day and week options available to meet the needs of each family. Discounts are available for those selecting the school-year fee option and occasional drop in rates are also available. Participants pay a non-refundable \$50 registration fee to secure a place in this program for the school year.

If your child is registered in other exciting after school programs, our Open Door staff will coordinate getting them to and from those classes.

Please call Open Door Supervisor Debbie Zimmerman at (216) 831-8605 for additional information.

BEFORE SCHOOL CARE Grades K - 5

We make mornings easy with convenient drop off at Pepper Pike Learning Center beginning at 7 am. Our staff coordinates student arrival to the Moreland Hills School by bus in time for class. Mornings include activities such as table games, building, arts and crafts, and wake-up gym time.

Location: Pepper Pike Learning Center, Room 40

Instructor: Youth Department Staff

AFTER SCHOOL CARE Grades K - 5

At the end of the school day, children in Grades K - 5 will be escorted by Orange Community Education & Recreation staff to Pepper Pike Learning Center from Moreland Hills School by school bus. Once we arrive, children may choose from a variety of developmentally appropriate activities available each day, such as active and quiet games, arts and crafts, cooking, building, or simply doing homework.

Location: Pepper Pike Learning Center, Room 40

Instructor: Youth Department Staff

Late Pick-Up Procedure

If you are unable to pick-up your child by 6 pm, there will be a \$10 late pick-up fee applied to your account for pick-up before 6:05 pm. A \$20 fee will be applied for pick-up after 6:05 pm. Late fees will be charged to the credit card used for registration. If you are consistently late, your child will not be permitted to participate in the program.

Payment Policy

Regardless of your selected attendance option, fees are due by the 28th of the month preceding Open Door Extended Care service. Orange Community Education & Recreation does not send invoices or extend credit for services. Payment can be made by check, money order, exact cash, or credit card and must be paid online or in person at the Pepper Pike Learning Center Front Desk. Late payments will result in your child being suspended from the program until the account is paid in full.

Schedule Changes

Due to staffing ratios that need to be maintained, changes to your child's enrollment schedule must be requested in writing 3 business days in advance. The schedule change will be approved based on availability of space and staff and will not take place without approval of the Youth Department. Parents must also notify Moreland Hills Elementary School of the change. For occasional users or those monthly families that need to add a day, please call in advance to secure a space and we will do our best to accommodate your child.

NUTS AND BOLTS

Grades K-5

Mechanical Engineering. The world is full of moving parts, so let’s move into the world of mechanical engineers as we learn how to engineer simple machines to make life easier. Even back in Egyptian times, people were making jobs easier using simple tools like wedges and inclines. Imagine carrying those heavy, stone blocks, to the top of the pyramids! In this module, we are going to learn about the simple machines Egyptians used and how they are still used today by making a pom-pom catapult, marble maze, and a mini Rube Goldberg machine. We’ll learn how wedges are used in a cardboard construction set and how wheels and axles can be put together to make an extending grabber. Each week, students will think about how effective simple machines are and how they can be combined into large mechanical equipment we have today. Register at www.classroomantics.com!

SOUNDS LIKE ENGINEERING

Grades K-5

Tune into the sounds of acoustic engineering as we explore what makes sounds different from each other, how sound reaches our ears, and how engineers control sound. Whether you’re at a rock concert, cheering for your favorite team, watching a movie, or jamming to the tunes inside your headphones, acoustic engineers have a hand (or rather, an ear) in making those sounds. We’ll demonstrate these sound manipulation techniques through air, water, and solid materials and explore how pitch and frequency affect what we hear. Students will also get a chance to engineer their own pair of noise-dampening headphones and loudspeaker. Throughout this unit, we will analyze the sounds around us and learn how acoustic engineers can change and shape those to be more pleasant. Register at www.classroomantics.com!

NEW! WACKY WEATHER Grades K-5

Meteorology Engineering. Tornadoes, Thunderstorms, Earthquakes, oh my! Join us in the Wacky Weather module as we learn about the many types of weather, from sunshine, summery days to the more extreme natural disasters. We will learn about how these phenomena happen, and the work engineers are doing to protect people from it. In this module, we will recreate some of the tools meteorologists use, like weathervanes and sundials, as well as engineer some new products to protect houses from mudslides. We will even model the earth as we learn about the different layers and how they cause earthquakes. Throughout this module, students will learn more about meteorology and why the weather is as wacky as it seems. Register at www.classroomantics.com! No class November 20. NEW! LET'S PLAY... IN SPANISH!

Grades 3-8

Imagine that after a long day at school, your children could go to a place where they can play...in Spanish! We have designed engaging sessions using games where children will have fun and without realizing they have begun to learn Spanish. There are three reasons why games will be used to learn Spanish. First, games hook! Children find in the game a strong motivator that allows them to participate and enjoy. Second, games use emotions. Activities that work with challenges, rewards and surprises facilitate the desire to learn. Third, games construct. Children create knowledge when they are placed in authentic contexts through the interpretation of what they do, touch, see, hear and read. And besides, childhood will always be the ideal age to learn a new language! No class September 19 and November 21.

TRAVEL BASKETBALL

Grades 3-6

Orange Travel Basketball is for those players and families that are committed to playing the game of basketball at a high level of competition and skill. Players **MUST** try out and be selected to participate. This program requires a higher level of commitment with as many as 3 practices a week and weekend games. Teams play in the Midwest Travel Basketball League and play against other top teams in our area. Tryouts will be conducted by an independent basketball evaluator. If you are interested you **MUST** register for tryouts using the time slot for your child's grade.

If your child is selected for a team, the cost of the program is an additional \$285. This will include registration fees for league entry, new customized uniforms, postseason tournament entry, equipment, and other associated team fees. Payment will be due prior to the start of practice. Practice times and dates will be selected by team coaches.

Please note, if we receive fewer than 10 participants for a scheduled tryout, that tryout will be cancelled.

Players must attend a minimum of 1 (one) of the tryout times for their grade, but are encouraged to attend both to improve performance.

TRAVEL BASKETBALL TRYOUTS

Grades 3 - 6

Tryouts will be conducted by TNBA. They will provide an evaluation of each player and that evaluation will be used for player placement.

YOUNG ARTISTS

OAC offers young artists in grades K – 8 unique experiences and art instruction. Our progressive courses are designed to develop students' creative thinking and problem-solving skills; as well as their artistic skill set. These after-school enrichment art programs offer each young artist a curatorial opportunity to display their artwork on the last day of class where family and friends are invited to attend. Not only does this give them the full artist experience - from conception to production and exhibition - but they have fun in the process! Each instructor will provide additional, specific information about these events during the course.

NEW! MORNING YIN YOGA **Adults 18+**

Start your day off right and enhance your mental and physical well-being. Yin is a slow-paced Yoga where poses are held for a longer period of time. Yin yoga poses apply moderate stress to the connective tissues of the body—the tendons, fascia, and ligaments—with the aim of increasing circulation in the joints and improving flexibility. A more meditative approach to yoga, yin aims at cultivating awareness of inner silence, and bringing to light a universal, interconnecting quality. Please wear comfortable clothes, bring a Yoga mat, a Yoga bolster, and water bottle.

You will increase your flexibility and leave the class each day feeling relaxed and refreshed. There is no class on September 19 or November 21.

SPECIAL SERIES – CONSCIOUS AGING

NEW! AGING IN PLACE: AUTONOMY AND AFFIRMATION AS WE GROW OLDER

Are you one of the 90% of adults over age 65 whose goal it is to remain living independently at home for as long as possible? If so, this desire to “age in place” is best accomplished through research, contingency planning, preparatory strategies, and communication between you, family members, and current and/or future healthcare providers. Regardless of where you are with your retirement planning, you can benefit from this three-part series that will help you remain the author of your own life story. Through small group discussions and experiential activities, you'll leave with a better idea of what aging in place means and a personal action plan for remaining at home for as long as possible. Includes a complimentary “get acquainted” dinner on the first night! Sponsored by Judson at Home.

NEW! HEALTHY AGING: EXPLORING THE MIND-BODY CONNECTION

New! Research shows that how you feel and what you think can directly affect your body. Since body and mind are inextricably connected, the more you increase positive thoughts and emotions, the better you can learn to control negative emotions like fear and worry. In this four-week class you'll learn heart-centered practices such as breath work, mindfulness, meditation, and ways to release emotional toxicity through journaling and other relaxation techniques. These practices can also provide health benefits, such as increasing memory, reducing inflammation and harmful levels of stress hormones, and mitigating the process of aging. Join us as we focus on self-care, and investigate ways to help you discover the wisdom you carry within.

BOOK STUDY AND DISCUSSION: BEING MORTAL

Atul Gawande, MD, has sparked a national conversation on the role of medicine as we age. With the eyes of both a practicing surgeon and a son whose father is dying, he asks questions that arise as a result of the amazing advances in modern medicine. In this class, we will consider how we can "remain the authors of our own life." We will reflect on the paradox that "endings matter," but that we cannot always control the ending. Join us as we discuss these and many of the issues that we so often face as we age. Participants will purchase their own books. They should read the introduction and chapter one before the first session. (No class November 23)

INTRODUCTION TO REIKI

What is Reiki anyway? The word is often translated as universal energy. The idea is that there is abundant energy floating all around to help us heal and be healthy, and with some training and attunement, a Reiki practitioner can learn to focus that energy to promote well-being. Reiki can relax and calm emotions, lessen or eradicate pain, and help thoughts become clear. Its purpose is to help a person's body, mind, and spirit find their natural sense of well-being. In this class, you'll get an overview of the many ways a Reiki session can improve your life through supporting your mind, body and spirit.

INDIVIDUAL REIKI SESSIONS

Reiki is typically done in a quiet setting, sometimes with relaxing music, with the client fully clothed. Reiki can be administered with a light touch or with no touch if that is preferred. Even with a short 30-minute session, people often report feeling relaxed and having lessened pain or confusion for several hours. A Reiki practitioner will visit our campus the third Tuesday of each month, between 12:30-2:30 pm, available for 30-minute individual sessions. Please call the OSC to schedule appointment.

Volunteers are needed to lend a hand with planting, weeding, pruning & more in our beautiful Senior Center Garden.

ORANGE SENIOR ADVISORY COUNCIL ASSOCIATION

Are you looking to more involved? The Senior Advisory Council meets bi-monthly on the 4th Wednesday of the month. Meetings are open to all members.

AGING RESOURCES

The Orange Senior Center, as part of Orange Community Education & Recreation, serves as the Office on Aging for the greater Orange School District. Do you have medical insurance questions? Need to borrow medical equipment for short-term use? The Orange Senior Center is your resource. We can assist by providing referrals to licensed counselors who can answer questions, provide in-home visits, access needed information and make referrals to other organizations as necessary. We're just a phone call away. Call 216-831-8600 ext. 5700.

LOVING HANDS GIFT SHOP

Looking for a unique gift? Visit our gift shop located in the Senior Center building and browse through a wonderful selection of handmade items. The Loving Hands Shop is the perfect place to find one-of-a-kind items at a great value. A nice selection of \$1 greeting cards is on hand to compliment your selection. Gift shop proceeds support the beautification of the Garden at the Senior Center. Open Monday through Friday from 9 am to 4:30 pm

CLASS & PROGRAM SPONSORSHIPS ARE AVAILABLE TO YOU

Would you like to be a more active participant in the senior adult programs but your current financial situation prohibits it? The Senior Center Activity Resource Fund (SCARF) can help. This fund was established through a generous contribution from the Kenneth Parker family and the Aline Wallace Family and provides assistance for those in need. A confidential request can be made by calling Senior Center Coordinator Darlene Montanaro at (216) 831-8600 ext 5700.

SENIOR TRANSPORTATION CONNECTION

Need a ride? Let us give you a lift and take you to the doctor, physical therapy, and of course, the Senior Center! Current riders please call 216-265-1489 for an appointment. New riders, please call Jaci Davis at (216) 831-8601 ext. 5702 to register before your first ride. A registration packet is available on our website at www.orangerec.com/SeniorTransportation.aspx or we can help you fill it out when you visit the Senior Center. This transportation service is made possible through financial support of the communities of Hunting Valley, Moreland Hills, Orange Village, Pepper Pike, and Woodmere, private donations, and a grant from the Ohio Department of Aging, through the Western Reserve Area Agency on Aging.

AQUATICS

Orange Community Education & Recreation operates the indoor pool at Orange High School during the school year and the outdoor leisure pool located behind Orange High School during the summer months.

Swimmer Information

All swimmers must have an account with Orange Community Education & Recreation to swim. A parent or guardian must set up a family account and add children ages 17 and under before swimming.

Children 10 years of age and younger must be accompanied by a responsible adult 18 years or older

Children ages 2 and younger swim free when accompanied by a paid adult. Only two children ages 2 and under per paying adult allowed. Parents must remain within arms-length of all children 6 and under and non-swimmers of all ages.

Please arrive no earlier than 5 minutes prior to the scheduled swim time and exit the locker rooms/pool area no later than 10 minutes after swim time has ended. Lifeguards will remove weak/non-swimmers from the pool to avoid dangerous situations

The diving boards will only be open during pool parties and on the 1st Saturday of the month.

Additional rules apply; please see posted rules at the facility. Lifeguards are present for your safety; please follow the instructions of lifeguards quickly.

Parking

Swimmers should park in the Orange High School west lot. During school hours, please park and walk to the high school front doors to enter the building. Evening and weekend entry is through the side west doors. Only those with mobility issues should park in front of Orange High School.

LEARN TO SWIM

Our Learn to Swim program is designed for all ages and abilities. Students are encouraged to move at their own pace in groups with low student to instructor ratios. Instructors will move swimmers to the appropriate level on the first day of class. Please check class dates and times carefully prior to registration. Once the class has started, we cannot change your swimmer's time or day and we do not provide makeups for missed lessons. Pre-registration is required. No registrations are taken at the pool.

PRE-LEVEL 1: PARENT PLAY **Ages 1-4**

A fun time for parents to go in the water with children! One child per parent, please. If child is not toilet trained, then swim diapers MUST be worn. This class offers water adjustment skills using toys, games and songs. To advance to the next level, swimmers must be 3 years old, comfortable in the water and able to enter the water without parents.

SWIM TEAMS

GREAT LAKES SAILFISH SWIMMING

Great Lakes Sailfish Swimming is a year-round USA team that strives to inspire and enable swimmers to achieve excellence in the sport of swimming and in life. This team provides developmentally progressive opportunities for its members, with the goal of delivering a safe and positive environment in which to build champions in all aspects of the sport of swimming. New swimmers are invited to come and try out before joining. Coaches will place children in the most appropriate swim group.

Team Groups Include: Gills: First level of competitive swimming. Swimmers should be able to swim all 4 competitive strokes. Stroke instruction is emphasized and interval training is introduced. Tails: Practices continue to implement skills and technique learned in Gills. Develop good habits with more interval training. Start building endurance and introducing effort levels and race strategies. Fins: Committed and motivated year round swimmers. Implementing all their knowledge and skills from Tails as practices get more advance. Learning how to improve with training and conditioning while maintaining proper technique. High school level swimmers expected to train year round in order to improve and excel. Continued emphasis on technique along with significant training and conditioning. Doubles and dry land are a part of this program.

Registration, fees and schedules are located on-line at www.greatlakesailfish.com. Fees vary depending on your child's group. There is a one-time \$80 registration fee for all programs then monthly dues. Residents of the Orange City School District will get a 5% discount credited to their account. Swimmers can also get a discount by signing up for the entire school year. GLSS Coaches want to bring out the best in your child both in and out of the water. Open house dates/times will be posted to Great Lakes Sailfish Swimming Website. GLSS practices at several other pools, such as Mayfield, Gilmore, Cleveland State University and CVAC, not all practice groups will be available at all pools. Please check the schedule at GLSS website. For more information, contact Sandra Andrews at OCER.sandrews@orangecsd.org or GLSS Team Office atglsswimming@gmail.com.

JUNIOR SAILFISH

Junior Sailfish is a new program that offers a bridge from swim lessons or summer leagues to competitive swimming. Swimmers should be able to swim 25 yards of freestyle and backstroke and have knowledge of butterfly and breaststroke. This program runs in 6-8 week sessions. Swimmers can sign up for multiple sessions.

ADAPTIVE SWIM TEAM

Teens and Adults Ages 11-28

This program is for teenagers and young adults with special needs who can swim multiple laps of the pool on their back and front. Swimmers will work to develop strokes, turns, and starts. This program will focus on fitness and exercise and will provide opportunities for individual instruction and making friends. Except September 19.

REGISTRATION

In order to provide the best service possible, Orange Community Education & Recreation welcomes our participants to Eleyo registration software. This easy to use, safe, secure and convenient software provides instant access to your registration history, class information, payment history and more. From any web browser or your mobile phone, you can stay up to date with important class information and registration is a breeze!

If you've registered with us in the past, you'll get an email from us the second week in August with your login information so that when registration begins on August 20, you'll be ready to go!

Kindly register at least 48 hours in advance of the first class to allow staff time to process class rosters. Registration is required for all classes, including free classes, unless noted. If you find that a course is full, please use the waitlist option as we often add additional classes to accommodate additional participants. Registration continues throughout the season or until classes are closed.

Payment is due in full at the time of registration. We accept Visa, Mastercard and Discover. A \$25 cash fee will be charged for all checks returned to us by the bank.

For additional information, please call Pepper Pike Learning Center, Monday - Friday, 8:30 am - 5 pm, at (216) 831-8601.

Photo Policy

We often take photographs of our classes and activities and use those photos in our promotions, advertising and marketing. If you prefer not to be photographed, please let our instructors or the photographer know.

Residency

Orange Community Education & Recreation serves residents living in the Orange School district, which includes Hunting Valley, Moreland Hills, Orange Village, Pepper Pike, Woodmere and the small portions of Solon, Bedford Hts. and Warrensville Hts., which are part of the Orange School District. You are considered a resident if you live in these communities and you pay property taxes to the Orange School District. Residents of the district enjoy priority registration for all programs the department offers.

Our Staff

All members of the leadership team hold either a Master's or Bachelor's Degree, in addition to program specific certifications. Teachers in the Orange Early Childhood Preschool program are certified teachers through the Ohio Department of Education. All staff participates in regular, on-going professional development training and opportunities. Our staff directory is available online at www.orangerec.com

Our Locations

Our buildings are located on the Orange Schools Campus in Pepper Pike, Ohio. Classes and activities are generally held in one of the campus facilities including the Pepper Pike Learning Center, the Orange Senior Adult Center, Orange Art Center, Orange High School, Moreland Hills Elementary School or Brady Middle School. Class locations are listed in the Recreation Guide and on the participant receipt.

Orange Community Education & Recreation Funding

Orange Community Education & Recreation is funded by a five-year community education and recreation levy, separate from the school district, and through user participation fees. This recreation levy, which must be renewed by residents every five years, provides approximately 28% of the revenues needed to operate the department. Almost 72% of the needed revenues come from participant and user fees. The department also is very proactive in seeking grants, sponsorships and partnerships to help underwrite various programs and services. In November 2015, for the ninth consecutive time, residents resoundingly showed their recognition of the ways in which Orange Community Education and Recreation enhances the overall quality of life in our community for all ages by passing the .95 mill recreation levy to continue community education and recreation programs in the district for the next 5 years. THANK YOU!

Transportation for Afterschool Classes

Afterschool busing is provided from Moreland Hills School and Brady Middle School to the Orange Art Center and Pepper Pike Learning Center for scheduled classes. Parents/Guardians must come inside the building to pick up their student(s) and sign out after class. Late pick-up is subjected to additional fees.

School Absences

If your student is registered for an afterschool program at Orange Art Center, Pepper Pike Learning Center or Moreland Hills Elementary, please let us know so that our school pick up runs smoothly and we can focus on students in attendance. Additionally, if your student(s) remains home from school due to illness, he or she may not attend afterschool classes that day.

Building Closure

If Orange City Schools are closed, all Orange Community Education & Recreation classes, including those at the Orange Art Center and Orange Senior Center, will be closed. We work to schedule make-up classes as soon as possible and communicate any changes directly to class participants and their families.

Class Ideas and Proposals

We are always looking for new classes and we encourage you to share your ideas for classes and activities with the department by calling us at (216) 831-8601 or by contacting a coordinator in the division in which you feel your class could be offered (youth, adult, aquatics, etc). Our staff directory is also available online at www.orangerec.com.
