# ORANGE COMMUNITY EDUCATION & RECREATION

Serving the Greater Orange Communities since 1973

## Dear Orange,

Thank you all for the warm and friendly welcome to your community. It has been an absolute pleasure meeting so many nice people and groups of folks so passionate about this community and the educational and recreational opportunities offered through OCER.

As we look toward the future I'd like to welcome to the staff our new Art Center Coordinator, Debra Lee Meese, our new Program Coordinator, Mike Callahan, our new Program Associate, Kaitlyn Newman, our new second shift custodian Mike Talley, and our new weekend custodian John Reccord.

With the addition of these folks to our already hardworking, dedicated staff we are very excited about the future of OCER.

Please take a few moments to look through this booklet and check out all of our new programs and activities. There's something for everyone!

We look forward to you and your family's participation this season. Please don't hesitate to contact me with your comments, suggestions, and ideas.
