# ORANGE COMMUNITY EDUCATION & RECREATION

Serving the Greater Orange Communities since 1973

## Dear Neighbors and Friends:

Orange Community Education & Recreation is pleased to welcome you and your family to Ohio's most comprehensive and recognized community education and recreation programs. We invite you to explore over 200 educational, enrichment and recreation classes and services featured in this Fall brochure.

I would also like to take this opportunity to share with the community that I will be retiring at the end of this July after 31 years of service to the greater Orange communities and residents. I joined the Orange Community Education & Recreation program in 1984-85 and had wonderful opportunities that allowed me to promote the Orange Community Education & Recreation program, handle the fiscal side of the organization's operations, recruit and train staff, develop new programming, as well as serving as the department's Director for the last 20 years. Working with the Orange City Schools, residents and the communities has been gratifying and inspiring and I thank you for that opportunity.

Erin Fach, our new Director, will begin his position with Orange Community Education & Recreation on August 1. Erin served as the Community Education & Recreation Director for the City of Lakewood, Ohio for 11 years and also served as the Mayfield Heights Director of Parks & Recreation. He brings a solid background in lifelong learning, recreation, leisure programs and services as well as community education. Please welcome Erin as he begins his new leadership with the Orange Community Education & Recreation Department.

As always, we are looking forward to having you and your family participate in this Fall's activities and classes. We thank you for allowing us to be your lifelong learning and recreation partner and we encourage you to share your suggestions and feedback with us!

And again, thank you for a wonderful 31 years!

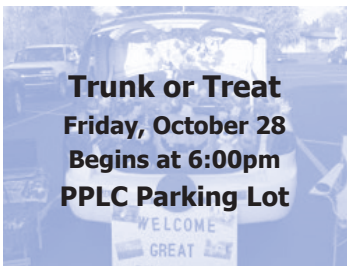

Sincerely,

### NEW! Paddle Board Yoga

Are you an adult who is looking for a new way to work out? This program utilizes wide, stable paddle boards that are tethered and floating in the pool and offers an exciting way to add a playful challenge to your yoga and flexibility programs. Staying balanced on the paddle board takes focus and requires that you engage your core and hips to keep you steady and dry. Although the goal is to stay out of the water, participants should be comfortable entering, swimming and treading in deep water. Participants should wear quick-drying, snug fitting yoga or athletic attire that allows freedom of movement. Open to all levels, beginners welcome. *Shaka Fitness owner/instructor Kelly Pierce is certified through Paddlefit and Glide SUP for paddle board yoga.*

**Registration for this class will be taken directly through Shaka Fitness:**

Go to the [www.shakafit.com](http://www.shakafit.com) and create a user name and password. Choose a class from the schedule with Orange as the location, pay for your class and select a board.
