Committed to all levels of talent and experience, our theatre professionals will encourage students to take creative risks, embrace new skills and learn to tell the story in a collaborative, supportive environment. Students who feel strong in one discipline but who may wish to enhance or gain confidence in another will particularly benefit from this program. Students will have the opportunity to swim and participate in Studio A & B optional camp activities. A final workshop production will be presented for family and friends. The Second Session of camp is a whole new experience and is NOT a repeat of First Session. Shows in consideration are *Little Shop of Horrors* and *Willy Wonka and the Chocolate Factory*.
