SUMMER ART CAMP

WEEK 1: June 11, 2018 - June 15, 2018

WEEK 2: June 18, 2018 - June 22, 2018

Art camps will run Monday - Friday 9:00am - 3:00pm.

Registration Begins January 22, 2018

Summer Camps at OAC are a perfect opportunity for young artists of all skill levels to enjoy creative, individual and group activities in an inviting, supportive and inspiring environment. With a different theme each week, our experienced art instructors will guide young artists through an eclectic variety of fun and engaging two- and three-dimensional projects. At the end of each week, our young artists will have a wonderful and unique opportunity to showcase their creativity in a vibrant art show in the OAC Gallery where family and friends are invited to attend.

CREATIVE BY NATURE

Our first week's theme is inspired by nature. This camp will lead young artists into a marvelous exploration of the four natural elements: earth, air, fire and water. Dynamic art activities will fill this week, from large group projects that involve team-building and creative problem solving, to small and focused individual projects, every artist will be encouraged to express themselves as they are, by nature! The beautiful park setting surrounding the art center will inspire OAC art campers, as they create artwork outside! Parents are encouraged to send their campers with a healthy packed lunch, water bottle, and extra sunscreen! Campers will enjoy a picnic lunch, followed by fun outdoors activities and games before returning to creative projects.

WEEK 1 • Grades K - 8 • Monday - Friday • June 11 - June 15
9:00am - 3:00pm OAC • \$250

VISUAL NARRATIVES

Our second week's theme is centered on the age-old tradition of art being used as a means to tell a story. This camp will take our young artists on an incredible journey of narrative art! Each camper will be supported by our amazing art instructors to develop their own personal art narrative that they will be able to share with their fellow campers, friends and family at the end of the week art show! OAC art instructors will work individually with each camper to help develop their narrative in both two- and three- dimensional art mediums. OAC art campers will work together to create a large format art project that narrates a central theme or message. These group projects will allow students to practice team-building and creative problem solving in an exciting new way! Parents are encouraged to send their campers with a healthy lunch, water bottle, and extra sunscreen! A picnic lunch will be followed by some fun outdoors activities and games before returning to creative projects.

WEEK 2 • Grades K - 8 • Monday - Friday • June 18 - June 22
9:00am - 3:00pm OAC • \$250

OAC invites all future campers & their families to visit the center for a tour of our creative studios and art galleries!

Come by for a visit Mon. - Fri. 9am- 5pm and get a chance to meet our OAC Art Team! More information about summer camps and other art programs can be found on our website orangeartcenter.org

COMMUNITY INVOLVEMENT THROUGH SERVICE

The Orange Community Education & Recreation Commission is an advisory council providing support and feedback so that a varied range of recreational and educational activities may be provided to area residents in accordance with the department's mission and the school district's mission. Commission at large and governmental representatives act as community liaisons by sharing community feedback with the department's Director and leadership team and by encouraging the broadest possible involvement of area residents in the department's programs, projects and services.

The Commission meets the second Tuesday of each month at 6:30pm at the Pepper Pike Learning Center. Residents are encouraged to attend or consider filling periodic representative vacancies and may contact any of the following Commission members with ideas and questions. Also, feel free to contact OCE&R for more information on Commission duties and responsibilities.
