32000 Chagrin Blvd - Pepper Pike, Ohio 44124 - (216) 831-4909

Dear Perspective Safety Town Volunteer,

The planning for the 2010 Safety Town Program is well under way. We are looking for teen volunteers to help with the program. Volunteers will work directly with the children helping them to learn many important safety lessons. Safety Town will run - July 12-23. Safety Town volunteers must commit to working both weeks of the program. There are 2 afternoon sessions, 1:00-3:00 and 3:30-5:30. You can work 1 or both sessions. Volunteers will need to report ½ hour before and stay ½ after the session to set up and clean up. We will hold a required training meeting on Wednesday July 7th, 1:00-3:00 P.M. All Safety Town Volunteers are required to attend this training meeting so that we can discuss the format for this year's program and prepare the lessons for the children. Snacks will be served!

Officer Todd and I will be running the program. We have always had a great crew of volunteers and hope that you will be able to join us for the 2010 program. Enclosed is a volunteer application, and reference forms. Please complete and return them to the Early Childhood Center office, located in the Pepper Pike Learning Center, as soon as possible. You will be notified by May 1st of your acceptance. We look forward to hearing from you soon.

If you know of any other potential volunteers, please have them give us a call.

Sincerely yours,

Sally-Jo Hirsch

Coordinator
